The *Foro* and the dialogues have the potential to be a significant contribution by young people to the Summit process and the themes to be considered there. The benefits of the *Foro* will extend beyond the Summit process to the participating young people, organizations that work with young people, and sponsors.

Participation from sponsors is fundamental to the success of this event and we ask the assistance of the Permanent Observer Mission in this regard. We welcome their active participation in the dialogues and *Foro* in August.

The Young Americas Business Trust must rely on contributions from donors to support its work. We ask your consideration of a financial contribution to:

- Sponsor the pre-*Foro* live and on-line dialogues that will take place between now and August
- Research national priorities, issues, and policies relevant to the *Foro*
- Prepare the national and *Foro* webpages on each Member State's policies, strategies and programs for young entrepreneurs
- Organize dialogues between Governments and civil society with young entrepreneurs on the *Foro* topics and / or entrepreneurship for young people in the country.
- Plan, carry out the *Foro* and related events, and disseminate the results widely
- Provide scholarships for the *Foro* in Buenos Aires. At present, we are not able to offer any assistance for national delegates to travel to Buenos Aires. Scholarships would be important to ensure representation from a broad range of economic levels and views.
- Organize the concluding international / Argentine business matchmaking event that should be interesting and beneficial to all participants, including Observers. Support from the Permanent Observer Mission will help us welcome young entrepreneurs from Algeria.

YABT's staff and national network of young professionals and entrepreneurs, make YABT not only an organization *for* young people, but *of* young people. This growing network of active and enthusiastic young people and organizational partners in OAS Member States will work hard to make this event a success. It's a great group to work with and deserves your support.

To sponsor the *Foro*, contact: foro@ybiz.net
